<u>4:55 PM</u>

7. FUTURE BOARD BUSINESS

5:00 PM

8. SUPERVISOR COMMENTS

5:15 PM

9. REGULAR MEETING ADJOURNMENT

GENERAL PROCEDURES FOR THE CONDUCT OF GATEWAY SERVICES CDD MEETINGS

AGENDA: The agenda for an upcoming meeting is available from the District's Local Office, and the District's website at www.gatewaydistrict.org. There shall be an official agenda for every meeting of the Board of Supervisors that will be created by the Board Chairperson in conjunction with the District Manager, and the Business Manager and distributed seven (7) days in advance of the meeting. This agenda shall specify the order of business to be conducted at the meeting, with estimations of the timing for each agenda item. It should be understood that agenda items may take additional time or the order may be changed in order if circumstances occur and the Board decides to amend the order. Any Supervisors, Staff, Committee Staff, or Committee Members that would like to add an item to the agenda or include material for prior review must contact the District Manager at least seven (7) days prior to the meeting. The decision to list the item will be at the discretion of the Chairperson. Non-agenda items may be considered by the Board, but the decision rests solely with the Board. The Agenda will be split into allocated time frames for each section. If an agenda item cannot be resolved or answered within the allocated time frame, the agenda item may be continued, and rescheduled for a future meeting. The agendas of past meetings will be posted on our District website. At times, members of various committees established by the Board of Supervisors may be present at meetings of the Board of Supervisors and the members of those committees may participate at meetings of the Board of Supervisors as to matters being heard by the Board of Supervisors. Such committees include but are not limited to: Pelican Preserve Advisory Committee, Stoneybrook Advisory Committee, and any other committee that may be established by the Board of Supervisors of the District.

CONSENT ITEMS: These are items which are not discussed individually and are voted on as a group. The Consent Items consider items that are non-controversial, have no policy implications, and are typically approved without discussion. NOTE: A Board Member may remove an item from the consent items in order that it may be considered for further discussion by the Board. Should that occur, the discussion of the "pulled" item(s) will follow the approval of non-pulled items and completed by Board vote.

REGULAR AGENDA ITEMS: These are items which the Board will discuss individually in the order and approximate time frame listed on the agenda. NOTE: Items may be moved during the meeting at the sole discretion of the Board.

GENERAL AUDIENCE COMMENTS - WHO MAY SPEAK: Please complete a "Request to Address" form and give it to the District Manager prior to the start of the meeting. The public is encouraged to offer informative and/or constructive comments to the Board at any non-closed-door meeting. Agenda item comments will be called first, followed by non-agenda items.

ADDRESSING THE BOARD: When your name is called, please come to the podium and state clearly, for the record, your full name and address prior to beginning your discussion. This will be used for the records/minutes. All comments shall be directed to the Board, not to a particular Board Member, Staff Member, Committee Member or the general public. Persons addressing the Board during "General Audience Comments" shall limit their remarks to five (5) minutes. To conserve time, on behalf of groups containing more than five (5) individuals who share a similar opinion and/or comment a delegation speaker will be selected by the Chairperson to address the Board.

PROPER DECORUM: Any person making inappropriate personal, impertinent, or slanderous remarks or who becomes boisterous while addressing the Board or while attending the Board meeting will be asked to refrain and/or asked to leave from the room, if appropriate.

AMERICANS WITH DISABILITIES ACT (ADA) COMPLIANCE: Pursuant to provisions of the Americans with Disabilities Act, any person(s) requiring special accommodations to participate in these meetings is asked to advise the District's Local Office at least 48 hours before the meetings. If you are hearing or speech impaired, please contact the Florida Relay Service at 1 (800) 955-8770, who can aid you in contacting the District Office.

APPEALING A BOARD DECISION: If any person decides to appeal a decision made by the Board, that person will need to obtain a record of the proceedings and may need to ensure that a verbatim record of the proceedings is made, at his or her own expense; that record should include the testimony and evidence on which the appeal is based.

MEETING SCHEDULE:

Gateway Board of Supervisors meetings are held twice per month, in general on the first and third Thursdays, at the GSCDD Office, 13240 Griffin Drive, Fort Myers, Florida 33913. Meetings begin at 3:00 p.m.

For further information, please contact the District's Local office at (239) 561-1313 or visit www.gatewaydistrict.org

Gateway Services Community Development District

Site Inspections Stormwater Ponds and Conservation Areas

Intent of Report:

To provide the general inspection results from a visual examination of the conditions of the ponds to make sure that the application treatments performed by the service providers are meeting the contractual obligations. Obligations include meeting a certain minimal required permitted level of exotic maintenance and controlling nuisance vegetation. Restored ponds with stone covered banks shall be treated at least 2 (two) times per month or (every 2 weeks) for undesirable seasonal weeds or more often as directed by the District to control seasonal weed growth during April, May, June, July, August, September, and October. Once per month November, December, January, February, and March. Nuisance, exotic, and invasive vegetation must be kept to 5% five percent or less of each pond and pond bank. Algae growth to be maintained within 10% coverage in ponds and flow ways without littorals and 25% in ponds with littorals depending on the size of the water body. Beneficial native littorals are to be maintained at a not to exceed a 12' wide band. Also, to identify any apparent problems, such as encroachments, washouts, erosion and exposed TRM (Turf Reinforcement Mat).

Stormwater Pond Management:

- a) Algae: Minor in some of ponds at the date of inspection, however several did reach treatment levels and were treated for filamentous.
- b) Vegetation: Several areas need to have torpedo grass treated, the vendors normally use a selective herbicide that has been on back order, they are trying to maintain without too much collateral damage to beneficials.
- c) Grass Clippings/Landscaping: At date of visits the amount of organics floating on the water surface has increased throughout the system.
- d) Lake Aerators for GW: all were working on the date of inspections.
- e) Lake Bank Erosion: multiple ponds on the report have severe and increasing erosion and or washout issues, Staff is maintaining a list of washout areas for repairs in 2022 budget and lower water levels.

The pond inspections noted below were conducted by Staff and Contractor Individual Pond Specifics and Inspection Dates Follow:

LK70-HP

Date 7-29-2021

Minor torpedo grass and vines, no surface algae no trash he aerators working, water levels now at control. Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- treat grasses and vines with selective

LK69-HP

Date:7-29-2021

Minor torpedo grass and vines, no surface algae no trash he aerators working, water levels now at control.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- treat grasses and vines with selective

LK73-HP

Date:7-29-2021

Torpedo grass, and 2 small thalia. No algae no trash water high aerator working.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- monitor and maintain broadleaf and treat grasses and vines with selective grasses.

LK72-HP

Date: 7-29-2021 and 8-03-2021

Torpedo grass, ludwigia, need to restablish control line, no algae no trash, aerator working, water levels high.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- follow up on bank work, pull any tall or dead ludwigia and treat any remaining, treat grasses and vines with selective.

LK74-HP

Date: 7-29-2021 and 8-03-2021

Littoral band over allowed width in a few areas, Chara-needs boat for grasses and bank work. No surface algae no trash water high and clear, aerator working.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- Spray back excess littoral band to 10' maintain no wider than 12' – monitor and follow up on submersed, treat grasses and vines with selective.

LK71-HP

Date: 7-29-2021 8-03-2021

Torpedo grass, minor shoreline algae, 2 thalia, no trash water high and clear, aerator working.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- Spray back excess littoral band to 10' maintain no wider than 12', treat grasses and vines with selective

LK65-HP

Date: 7-29-2021

8-03-2021

Reestablish control line, minor algae no trash, aerator working, water high.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- treat vines and grasses in littorals with selective.

LK138-HP

Date: 7-29-2021 and 8-03-2021

Minor shoreline algae, torpedo grass, aerator working.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- treat grasses in littorals with selective.

LK137-HP

Date: 7-29-2021

Minor torpedo grass within littorals, aerator working, no trash.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- treat grasses in littorals with selective.

LK136-HP

Date: 7-29-2021

Minor torpedo, no algae no trash aerator working.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken; vendor- treat grasses in littorals with selective.

LK135-HP

Date: 7-29-2021

1 thalia spotty torpedo, no algae no trash, aerator working.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- treat grasses in littorals with selective.

LK66-HP

Date: 7-29-2021

Torpedo grass, some fennel pulled, very minor shoreline algae in a few areas, no trash, aerator working. Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- treat grasses in littorals with selective.

LK67-HP

Date: 7-29-2021 and 8-03-2021

One holly tree down, proposal requested to replant and stake. Need to use boat to treat outside spike rush to treat torpedo and chara and narrow littoral band width where needed to maintain 10 to 12'. Aerator working.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- treat vines and grasses with selective. Use boat to reduce littoral band and torpedo grass outside littorals.

LK68-HP

Date: 7-29-2021 and 8-03-2021Treat areas of torpedo grass filling in where littorals were removed, minor algae, aerator working.

Compliance with Pond Standards; yes Compliant with contract; yes Action to be taken by; vendor- treat torpedo grass

FL04-SB

Date: 7-29-2021 and 8-04-2021
Grasses and stone treated
Compliance with Pond Standards; yes
Compliant with contract; yes

Action to be taken; vendor- regular maintenance Staff- monitor TRM exposed.

LK59-SB

Date: 7-29-2021 and 8-04-2021

No algae, no trash, water clear, stone clean, minor alligator weed, aerator working. Compliance with Pond Standards; yes Compliant with contract; yes Action to be taken by; vendor- regular maintenance

LK58-SB

Date: 7-29-2021 and 8-04-2021

Torpedo grass, minor alligator weed and vines, no algae, no trash, aerator working. Compliance with Pond Standards; yes Compliant with contract; yes

Action to be taken by; vendor- treat grasses in littorals with selective.

LK60-SB

Date: 7-29-2021 and 8-04-2021

Minor torpedo grass, no algae, no trash, water clear, stone under wate, aerator workingr.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- regular maintenance.

LK62-SB

Date: 7-29-2021 and 8-04-2021

Littoral band narrowed, resulting surface algae present, torpedo and chara, aerator working.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- treat grasses in littorals with selective.

LK61-SB

Date: 7-29-2021 and 8-04-2021

Littoral band narrowed resulting surface algae present, torpedo grasses, stone clean, aerator working. Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- treat grasses in littorals with selective.

LK63-SB

Date: 8-04-2021

No algae, no trash, torpedo grass. Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- treat torpedo grass with selective.

LK114-GW FPL Date: 8-04-2021

Torpedo grass in littorals minor algae, no trash.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor-treatment for grasses.

LK113-GW

Date: 8-04-2021

Minor torpedo grass. Thalia treated. Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- treatment for grasses and thalia.

LK111-GW

Date: 8-04-2021

treat torpedo grasses. No algae, no trash. Compliance with Pond Standards; yes Compliant with contract; yes Action to be taken by; vendor- regular maintenance.

LK112-GW

Date: 8-04-2021

treat torpedo grasses. No algae, no trash. Compliance with Pond Standards; yes Compliant with contract; yes

Action to be taken by; vendor- regular maintenance.

LK92-GW

Date: 8-04-2021

Minor vines in littorals. No algae, no trash. Compliance with Pond Standards; yes Compliant with contract; yes

Action to be taken by; vendor- treat for grasses and vines in littorals.

LK91-GW

Date: 8-03-2021

Stone clean, no algae, no trash.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- regular maintenance.

LK90-GW

Date: 8-03-2021

Stone clean, no algae, no trash. Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- regular maintenance.

LK133-TP

Date: 8-03-2021

No algae, no trash, one large washout NW corner, erosion beginning.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- regular maintenance. Staff; maintain on list for repairs

LK134-TP

Date: 8-03-2021

No algae, no trash, one large washout south east corner by fence, erosion beginning.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- regular maintenance. Staff; maintain on list for repairs

LK127-GW

Date: 8-03-2021

Littoral band needs narrowed in a couple of areas, minor shoreline algae, no trash, water clear.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor-treat thalia and narrow littoral band to no more than 12'.

LK121-GW

Date: 8-03-2021

Stone clean, no algae, no trash, water high.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- regular maintenance.

LK122-GW

Date: 8-03-2021

Monor torpedo grass and alligator weed, no algae, no trash, water high.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- treat torpedo and alligatorweed.

LK123-GW

Date: 8-03-2021

Stone clean, no algae, no trash, water high.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- regular maintenance.

LK109-GW

Date: 8-03-2021

No algae, no trash, water high. Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- regular maintenance.

LK103-GW

Date: 8-04-2021

Stone clean, No algae, no trash, water high.
Compliance with Pond Standards; yes
Compliant with contract; yes

Action to be taken by; vendor- regular maintenance.

LK101-GW

Date: 8-04-2021

Stone clean, No algae, no trash, water high.
Compliance with Pond Standards; yes
Compliant with contract; yes

Action to be taken by; vendor- regular maintenance.

LK116-GW

Date: 8-04-2021

Stone clean mostly under water, a few areas need stone replaced on exposed TRM. Minor shoreline algae, no trash.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor-maintain littoral band to no more than 12'.

LK126-GW

Date: 8-03-2021

Minor algae, lots of organics floating on the surface, no trash, water high.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- regular maintenance.

LK83-GW

Date: 8-03-2021

Minor algae within littorals, stone clean, aerator working, no trash.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- monitor algae, regular maintenance.

LK84-GW

Date: 8-03-2021

Littoral band needs narrowed. Minor algae, no trash, water clear.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- maintain littoral band to no more than 12', monitor vines and grasses in littorals..

LK85-GW

Date: 8-03-2021

Maintain littorals to 10' no more than 12'. Monitor algae, no trash, floating organics.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- regular maintenance, monitor algae, narrow littorals where needed to maintain no more then 12' wide.

LK88-GW

Date: 8-03-2021

Maintain existing littorals to 10' no more than 12'. Monitor algae, no trash, grass clippings on top of the remaining treated filamentous algae.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- regular maintenance, monitor algae, narrow littorals where needed to maintain no more then 12' wide.

LK89-GW

Date: 7-23-2021 and 8-03-2021

Maintain existing littorals to 10' no more than 12'. Monitor algae and grasses within littorals, no trash Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor-maintain littoral band to no more than 12'.

LK87-GW

Date: 8-03-2021

Stone clean, no algae, no trash.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- regular maintenance,

LK124-GW

Date: 8-03-2021

Minor shoreline algae appears treated, stone clean, no trash, water high.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor-maintain littoral band to no more than 12'.

LK125-GW

Date: 8-03-2021

Washouts growing with the rainy season, minor algae, minor trash, aerator working.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- regular maintenance Staff- monitor washouts and prioritize repair list for next budget cycle.

LK128-GW

Date: 8-03-2021

Washouts growing with the rainy season, minor algae, and alligatorweed, aerator working.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- regular maintenance Staff- monitor washouts and prioritize repair list for next budget cycle.

LK130-GW

Date: 8-03-2021

Minor shoreline algae, torpedo grass. no trash.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- regular maintenance

LK79-DP

Date: 8-04-2021

Minor shoreline algae, torpedo grass. no trash, aerator working.

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- regular maintenance

Date: 8-04-2021

Stone clean, no trash, no algae.
Compliance with Pond Standards; yes
Compliant with contract; yes
Action to be taken by; vendor- regular maintenance

Littoral Treatments/Removals;

No new requests for removal have been received. Several requests to respray when anything grows back, these were forwarded to the contractor.

Aerators:

Aerator electrical epairs will begin week of 8-16-2021, there were hold ups due to permitting and manufacturer back orders.

Conservation Areas:

CA41-GW

Date: 8-11--2021

Area "A" in compliance with permit, recent treatment noted, no lygodium found.

Compliance with Environmental Resource Permit (ERP); yes

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor-regular maintenance.

CA49-GW

Date: 8-11-2021

Recent treatment, perimeter has a lot of pressure from nearby seed sources.

Compliant with ERP: yes

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- regular maintenance.

CA36-GW

Date: 8-11-2021

Minor Torpedo grass on perimeter, a small acacia sapling pulled during inspection, interior looks good.

Compliant with ERP: yes

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- treatment for torpedo grass.

CA33-GW

Date: 8-11-2021

Torpedo grass on perimeter, appears vehicle traffic has reduced likely dur to the swale around the perimeter filling with water, interior looks good.

Compliant with ERP: yes

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- treatment for torpedo grass.

CA44-GW

Date: 8-11-2021

Torpedo grass on perimeter, nightshade, phasey bean and ragweed, maintenance can be resumed in this wetland herons have fledged.

Compliant with ERP: yes

Compliance with Pond Standards; yes

Compliant with contract; yes

Action to be taken by; vendor- treatment for torpedo grass.

Utility Managers report for September 2, 2021.

Hampton Park utility sweep has found well over 100 six-inch sewer clean outs in need of repair with only three quarters of the community completed. We are estimating that this sweep will be over by the end of September. Stoneybrook will follow.

<u>Final insertion valves for the districts sewer force main system</u> – Soccer drive. Field staff will be doing critical excavations on both sides of Soccer drive looking to identify well irrigation lines and sewer force main connections.

Upcoming potable water valve insertions and water shutdowns.

Summit broadband project and meetings.

<u>Irrigation modeling for Tetra-tech</u>

<u>Irrigation fire hydrants.</u> We would like to install four key fire hydrants within our irrigation system at select points. Multiple uses.

Line of succession training for utility department has begun.

Felix Reynoso has begun working closely with the utility manager and electrician **full-time** to fulfill BOS direction regarding lines of succession with management positions. Isaac Carrillo will be in the lead field operator position.

4Cv.

UTILITY BILLING MANAGEMENT REPORT UDPATE Leslie Rechtorovic, Utility Billing Manager

September 2, 2021

GENERAL UTILITY BILLING CUSTOMER SERVICE UPDATE

ASSET MANAGEMENT SYSTEM STATUS

- Narrowed down 2-3 options based on user interface, pricing and features offered that will integrate with Valve machine & our PO system
- Price comparison, user feedback and references currently under review.
- Expected to present in October

MASS NOTIFICATIONS/CODE RED

- Reached 25% enrollment through CodeRed
- Continue to post regularly on Facebook & insert with Billing
- Communicate to all community CAMs/PM

EMAIL MASS NOTIFICATIONS THROUGH BILLING SOFTWARE

- Change in Microsoft 365 mass email policy, no longer allows mass emails in batches greater than 300 emails.
- Alternative solution available through a third-party system at a cost of \$80 a month
- Implementing services now to hopefully deploy by September 2021

YEAR-END UTILITY BILLING/CUSTOMER SERVICE REPORTS

- Summary of year end totals to be available for the month of October.

ZENNER - AMI VISIT IN AUGUST

- Zenner staff replace 4 collectors with new LTE Cellular technology. They discontinued services and support for their 3G cellular infrastructure and replaced with LTE cellular services.
- During the week of August 9th, Zenner staff worked on maintenance and replacement of unit in the field. Completing over 275 out of 651 exceptions

LEE COUNTY UTILITIES BACK BILLING

- Reading consumption for (1) meter had been estimated and under billed since January 2021
- Follow up with Lee County in March 2021 confirmed billed usage was estimated and instructed the meter was being transition to the "new" AMI register.
- Follow up with Lee County in June 2021, for the status or update on billing usage. They
 advised it would be reading correctly and manually read going forward. As the register
 was not working properly.
- In August 2021 LCU provided the information and confirmed back billing error due to the change of metering dials and register was not reading correctly.
- Water & wastewater was adjusted based on the last 2 years average. Water back billing total \$103,042.56 and Wastewater is \$52,889.82. To be billed on the September bill cycle. Totaling \$155,932.38

REGULAR AGENDA ITEM

To: Board of Supervisors

From: Kenny Hall, Utilities Manager
Re: Approve utilities budget transfer.

Date: September 2, 2021.

ACTION REQUESTED:

Approve a transfer of approved 2021 budget funds from the 400 enterprise and 301 capital enterprise for continuing maintenance and projects

BACKGROUND:

We are requesting that funds from the approved 400 and 301 accounts be transferred into existing approved accounts for continuing maintenance of the districts utility system.

We are requesting that line-item funds from the 400 Enterprise budget be transferred.

Total requested funds. \$115,636.00.

From 400-546918-53150-5000: Pump and well maintenance \$10,000.00 - All sandstone wells rehabilitated over the last five years with new pumps, casings, meters and motors.

From 400-546919-53150-5000: Irrigation well #6. \$39.923,00 – *Purchased new pump and motor*.

From <u>400-543075-53150-5000</u>: Electricity – \$30,000.00 – *Left over funds*.

From <u>400-551015-53150-5000</u>: Computer equipment \$30,599.00 – *Incorporated into 2022 budget*.

From 400-543075-53150-5000: Removal of pneumatic tank - \$5,116.00 – *Left over funds*.

Transferred to:

400-546063-53150-5000: Lift station R&M \$60,000.00 – Plug and check valve replacement for districts lift stations.

400-552052-53150-5000: Inventory - \$55,638.00 - Replacement of used stock, major water, irrigation and sewer distribution system components. Sanitary sewer stock components.

We are requesting that these approved line-item funds out of the 301 capital be transferred: Totaling: \$69,705.00

From <u>301-563052-53150-5000</u>. Irrigation system well improvement. *Remaining balance* \$1360.00

From 301-563063-53150-5000. Lift station pumps. Remaining balance. \$6,888.00

From 301-563065-53150-5000. Irrigation high service pumps. *Remaining balance*. \$1,109.00

From 301-563066-53150-5000. Irrigation upgrade. Transfer \$20,000.00

From 301-564122-53150-5000. Emergency bypass pump. *Installed, remaining balance* \$40,340.00

Transferred to:

301-564109-53150-5000: New lift station panels. \$52,000.00

301-564134-53150-5000. New valve program. \$19,705.00

RECOMMENDATION:

Approve the Action as requested.

5B

REGULAR AGENDA ITEM

To: Board of Supervisors

From: Laura LeRoy, Business Manager

Re: FY 2022 Budget Adjustments - Enterprise Fund

Date: September 2, 2021

ACTION REQUESTED:

Reallocate \$226,841 in funds from Reserves to the Bulk Potable Water and Bulk Wastewater purchase budget line items.

BACKGROUND:

We had a meeting with Lee County Utilities (LCU) on August 24, 2021 and were informed of an under billing situation on both of these accounts. The cause was a combination of meter failure, meter misreads by the system and under estimating by LCU. The amount that will be billed totals \$155,932.38 and detail is included in an email attached to this agenda item.

The billing issue was raised to LCU in March and June, and in June we were assured there would not be a large back bill issued. When the FY22 budget numbers were under review, a decision was made by the board to reduce the amounts in both accounts to match the projected amounts rather than the budget amount from FY21. Based on the information received from LCU, staff would like to update the the FY22 budget amounts to match the FY21 budget amounts.

RECOMMENDATION:

Approve the following moves within the FY22 budget, detail of impact is on the next page.

Move \$158,789 (70%) from Maintenance Reserves Move \$68,052 (30%) from Facility Expansion Reserves

Move \$ 44,077 to Bulk Potable Water Purchase Move \$182,764 to Bulk Wastewater Purchases

Item	Current FY22	Proposed FY22	Change		Tota	I Change
Bulk Potable Water Purchases	1,055,923	1,100,000	44,077			
Bulk Wastewater Purchases	467,236	650,000	182,764		\$	226,841
Reserve - Maintenance	853,715	694,926	-158,789	70%		
Reserve - Facility Expansion	400,000	331,948	-68,052	30%		
Reserve - Capital Program	161,728	161,728	0	0%	\$	(226,841)
			Net Change		\$	-

Gateway Billing

Attachments:

Gateway Historical Comparison.xlsx; 2021-08-17 Gateway Services Usage History -

Account #46972-6.xlsx

Good morning Chris,

I hope you are doing well. We have found the meters for Gateway have not been reading correctly. I am attaching the meter readings for this year and two previous years. Jan has researched this and also compared the readings to our SCADA data to determine the estimated amount that we would need to back bill Gateway. Please take a look at the data and the summary information below for our findings and let me know if you would like to add this to Tuesday's meeting, proceed with the billing, or set-up an alternate call to discuss.

Adjustments 10/30/20-7/1/21:

- Billed gallons on the meter

= 14,813,000

Manually billed gallons

= 102,603,000

Total gallons billed

= 117,416,000

-Gallons via SCADA

= 144,250,000

- Water Gallons to be billed on #46972: 144,250-117,416 = 26,834,000

26,834 x \$3.84 = \$103,042.56

Sewer Gallons to be billed on #1198916: 26,834,000 x 90% = 24,150,600

 $24,150.60 \times $2.19 = $52,889.82$

GRAND TOTAL OF THE WATER & SEWER ACCOUNTS TO BE BILLED = 155,932.38

Thank you,

Rich Kolk | Business Operations Manager

2. AUDIENCE/PUBLIC COMMENT

- **A.** Regarding Agenda Items
- **B.** Regarding Non-Agenda Items
- Mr. Shoemaker announced that seven audience members submitted a request to address the Board and seventeen audience members were in attendance on-line.
- Mr. Mikulka of Stoneybrook requested that the Board address agenda item 4A, SBAC Security Contract with Statewide, early in the meeting instead of at approximately
- 52 4:30 P.M.
- He also addressed the Board regarding a suggestion of how the District should adjust the payroll allocation of time for staff and how much is charged to the 004 Account. A copy of the suggestions was emailed to the Board.
- Mrs. Margaret Fineberg of Stoneybrook addressed the Board regarding the proposed increase in the assessment. She urged all current and previous Board members
- Mr. Vince Loffredo addressed the Board regarding the budget and assessment increase.
- Mr. Rod Senior addressed the Board regarding the unacceptable assessment increase and commented on the survey that went out to all.
- Mr. Stephen Bloom commented on the bank financing of the capital items.

to seriously consider not increasing this budget by high double digits.

- Ms. Judy Peek reiterated that this is an elected Board; please listen to your constituents and their input.
- Ms. Linda Summers commented she heard today that the Board was not due diligent in their duties. She wants to know why right now.
- 68 Mr. Andy Heygate of Hampton Park addressed the Board regarding the 69 assessment increase. He read out-loud a part of the email he previously sent to the Board.
- A copy of the email will be included with the final minutes of this meeting.
- Ms. AbuShahin, an on-line meeting participant, expressed her opinion on the new park proposal, she is opposed to it at this time.
- A summary of her comments will be included in the Chat log that will be made part of the final minutes of this meeting.

Mr. Jim Brann of Hampton Park addressed the Board regarding the budget increase. He asked to see the final budget and it was explained to him that the budget is a working document and will be reviewed and analyzed by the Board and staff every day up until August 19, 2021 at the budget public hearing meeting. STAFF REPORTS – INFORMATIONAL ITEMS A. District Attorney i. Consideration of the Fiscal Year 2022 Annual Meeting Schedule Mr. Pires noted staff has put together a proposed meeting schedule and the Board can make any changes needed at this time. In the course of the year there may be additional meetings required and they would be separately advertised. Mr. Guy MOVED seconded by Mrs. Walsh to accept the proposed meeting schedule. Discussion ensued. The schedule for the Stoneybrook Advisory Committee meetings will be noted and advertised as meeting on the first Wednesday of each month at 2:00 P.M. On VOICE Vote with all in favor the Fiscal Year 2022 Annual Meeting schedule was approved as amended with the SBAC schedule change. 5/0 ii. Chris Shoemaker's Employment Agreement Mr. Pires led the discussion on this item.

THIRD ORDER OF BUSINESS

District Management Report

i. District Manager Update

1. License Plate Reader Technology-Lee County Sheriff

Deputy Prescott of the Lee County Sheriff's Office gave a presentation on plate reading technology. LPR's are license plate readers. The Lee County Sheriff's Office is trying to get the Gateway CDD to take a look at installing LPR's at the three main entrances of Gateway; Daniels at Gateway, State Road 82 at Gateway and State Road 82 at Griffin. This would cover 95% of the cars coming out of the Gateway area. With the new technology the Sheriff's office monitors those cameras on a 24/7 basis. The cameras are not sold by the Sheriff's Department; two companies are recommended. The typical cost for the equipment, maintenance and storage of vehicle information is approximately \$2,500 per year.

2. Gateway Blvd./Commerce Lakes Blvd. Roundabout This item was not discussed.

163164165

ii. Business Manager Update No Report.

166167

iii. Public Works Manager Update

168169170

- 2. June Landscape Report Jim Kennedy
- Mr. Kennedy noted landscapers are doing a good job right now with all the rain. Highlights of the landscaping activities are included in the Landscape Report included in today's agenda package.
- 174 A lengthy discussion ensued.
- 175 1. Gateway Pond Inspection Report, July 2021 Elle Harris
- Ms. Elle Harris commented on the report she provided in today's agenda package.

Minutes **8/5/21**

178	FOURTH ORDER OF BUSINESS (continued) Action Items
179 180	B. Notice of Development Application and Plat Project Mr. Shoemaker noted this is for the drainage going under Treeline. This has been
181	approved by the District Engineer after the review. Approval was recommended
182	contingent upon final review of the District Attorney.
183	
184	Mr. Geppert MOVED seconded by Mrs. Walsh to approve
185	the District Notice of Application with Conditions and
186 187	Approval of Project Plat contingent on final review and approval by the District Attorney.
188	approvar by the District Attorney.
189

44	Mr. Shoemaker announced five speakers have signed Request to Address the
45	Board forms and they were reminded of the 5-minute limit.

- Mr. Mikulka of Stoneybrook inquired about the addition to the allocation of staff regarding Parks and Recreation and Landscaping. He noted if we are going to be charged for this, we will expect the service.
- Mr. Rod Senior addressed the Board regarding the budget with regard to the stormwater system.
- Mrs. Fineberg asked if there will be a final copy of the complete budget available before the public hearing and if so, when.
- Mr. Banks responded yes, and it will be posted to the District's website and Facebook page.
- Ms. Sue Federar inquired about the truth about the Gateway pool.
- Mr. Banks responded to Ms. Federar's pool inquiry.
- Mr. Steve Brown and Ms. Candy Brown addressed the Board regarding the pool, and they want clarity on whether the pool is going to be closed.
- Mr. Vince Loffredo addressed the Board regarding the budget and assessment increase.

A. Budget Discussion

- Mr. Stephen Bloom gave an overview of the work he has done with staff in order to come up with the current, updated budget versions, 4.1 and 4.2, the difference in the two versions and his recommendations and staff's recommendations.
- The following was noted:
- o The new version has a reduction of approximately 2.9 Million Dollars.
- The chart compares the budget back to the approved version that the Board approved back in June, the high-water mark. It was noticed and it was in the advertisement.
- 71 Version 4.2 is from Mr. Bloom showing where the assessments got to. This 72 version was prepared at Board direction noting they would like to see something

between a 15% to 20% increase year over year. Version 4.2 was done in order for the Board to get some perspective on how to get under 20%.

The record will reflect Mr. Guy joined the meeting.

On MOTION by Mrs. Walsh seconded by Mr. Geppert with all in favor authorization allowing Mr. Guy to fully participation in this meeting due to exceptional circumstances was approved. 4/0

From budget version 4.1, page 4, Mr. Tinkle proposed to take out \$300,000 and \$500,000 in the middle of the page, and one item for \$100,000 (Pond Bank Maintenance) equals \$900,000. Take that \$900,000 and put in from the chart an estimate for roads, anywhere between \$300,000 and \$450,000. Keep \$100,000 in for existing stormwater catch water basin.

Assuming we get SRF funds for pond bank repairs at \$1,800 per washout; if we identify 5 ponds and their average is 15 to 20 washouts per pond, the total would be \$250,000. Up the one that is \$100,000 to capital \$250,000.

It was noted at the end of the day, if we take this strategy, we are going to end up with an operating 001 General Fund Budget for everything in waterway management including salaries, payroll taxes and all that stuff, \$810,000. We manage 89 ponds.

Mr. Geppert stated that is woefully inadequate considering that Pelican Preserve has a little bit more than half the ponds and they are currently and have been spending \$900,000 per year.

The \$950,000 is in addition to the \$590,000 we currently have on this sheet, which is proposed capital projects. For waterway management only, at this point we have \$590,000 to which we are proposing that we add an additional \$950,000; goes to \$1.54 Million. That's what we spend in 2022.

 When it comes to aerators, Mr. Shoemaker will circle back with staff to pin down what is true maintenance and capital and if capital, let Mr. Bloom know and add it to the capital side.

Gateway Services CDD Minutes

8/10/21

104	o Mr. Bloom will have to re-	do the capital plan and the interest amount,
105	assuming we get the same va	ariable rate; right now without doing that, the
106	single family is a 9.76% income	rease, a multi-family is up 21%, Stoneybrook
107	inside gate is about 16%,	going into commercial categories that are
108	negative.	
109	 The Board discussed commu 	nity and general events.
110	o Mr. Pires suggested when the	ne next revised, proposed, budget is prepared
111	by Mr. Bloom it should be e	dited from the original document as opposed
112	to all the other iterations in	order for the public to see where the budget
113	started off and where we are	ending up.
114	 The next budget will be Vers 	ion 5.0
115	A consensus of the Board was to	have Version 5.0 generated with the changes
116	made at tonight's meeting and posted to	the District's website as well as taking the
117	original budget that was approved two mo	onths ago for purposes of setting the public
118	hearing and showing the changes from the o	riginal one to the 5.0.
119	The expectation of the Board is as	s soon as we can get it, the updated version of
120	the budget based on what we determined too	lay and an update to the capital plan.
121	We need to have Tetra Tech rev	view the items the Board identified today to
122	make sure they are in agreement.	
123	Mr. Pires reiterated, the original	, approved proposed fiscal year 2022 budget
124	must stay on the website and Mr. Bloom	will prepare Version 5.0 that addresses the
125	consensus of the Board from today and show	ws all the edits. Secondly, with regards to the
126	engineer's review, when the project descript	tion is being provided in the Engineers Report
127	for any validation, the Engineer needs to be	e comfortable in saying these are the opinions
128	or probable costs for these capital projects.	
129	FOURTH ORDER OF BUSINESS	Future Board Business
130 131	Item not discussed. FIFTH ORDER OF BUSINESS	Regular Meeting Adjournment
132 133	The meeting was adjourned at 5:18 I	P.M
134
