Guidelines governing the use of Sherman Soccer Complex at Gateway Community Park

These policies should be read and understood by the responsible party members.

Cancellations

Cancellations must be made at least 30 days prior to the scheduled event, or the entire rental fee will be charged.

Failure to submit payments and completed paperwork by the indicated deadlines will result in the cancellation of the event without a refund of fees.

Access to the field

- Access to the facility is restricted to the time that has been reserved. Groups, members or guests of groups, or associated services related to the event (e.g. catering) are allowed access only during scheduled reservation times.

Facility Usage

Groups will be held financially responsible for any damage which has occurred to the facility reserved during their event. This responsibility rests upon the organization contact person(s). Make sure your various vendors understand the facility rules that are pertinent to your event. A Use Agreement is only valid between the Facility and the original contracted User. Subletting is not permissible, and it invalidates any Use Agreement.

Supervision

All children 15 years and younger must be supervised by an adult at all times.

The facility must be vacated promptly at the scheduled departure time.

A responsible and signatory member of the group must be present before, during and at the close of the event to check in and check out with the facility supervisor.

If policies are violated or the event becomes unmanageable or unsafe, the facility supervisor or event staff has the authority to terminate the event without a refund of fees or to make appropriate recommendations regarding the event.
